6)	Extract from file bearing Diary No 1130/A1 (51-52)-89) The Lady Doctor S Saroja Bai has been appointed by the Bangalore City Corporation in the existing vacancy and as seen from the file, this appointment has taken place long prior to the framing of the Mysore Public Service (Functions) Rules, 1953. At para 77 supra, it is stated as follows -
	"There is no doubt that the Commissioner and the Corporation have been given enhanced powers of making appointments without reference to Government this does not mean that appointments in the Corporation are exempt from the operation of the rules of recruitment"
	Again at para 79 supra it is stated as follows
	'Further, the rules of recruitment were made applicable to all the local bodies including the Bangalore City Municipality After Retrocession, appointments in the Civil Station Municipality were also brought within the rules of recruitment The Commissioner, Bangalore City Corporation, has been appointed as the Unit Officer for purposes of recruitment to all Corporation services as per G O No 9709-15/R & P S 10-49-2 dated 28-2-1950 As per Article 313 of the Constitution of India, the laws that were in force immediately before the commencement of the Constitution and applicable to any public service or posts shall continue in force as far as consistent with the provisions of the Constitution

Para 81 supra is as follows :-

"In view of what is stated above, the Commission adheres to its opinion furnished in para 44 of the Secretariat file. It is not in favour of regularising the appointment of Dr S Saroja Bai which was made without reference to rules of recruitment."

The appointment in question has been apparently made long prior to the framing of the Mysore Public Service (Functions) Rules, and as such, the appointment had to be made according to the old rules, and even according to the old rules, the Public Service Commission had to be consulted. Hence the appointment of Dr S Saroja Bai is not in order as stated by the Public Service Commission."

SIR,

C M 46-54-4

Subject - Rules of recruitment to the subordinate services of the Corporation.

I write to state that the appointments to the subordinate services of the erstwhile City Municipality were made in accordance with the rules of the Central Recruitment Board of the Government of Mysore. There was no provision even in the City Municipalities Act giving powers to the Government to control the recruitment to the subordinate services of the City Municipalitie as seen from the provisions of the City Municipalities Act. The Government had powers only to approve the appointments of the Chief Officer, Health Officer and Engineer made by the erstwhile City Municipality and to regulate the methods of recruitment, conditions of service, pay and allowances, discipline and conduct of these officers under the provision of Sections 233, 234, and 234 A of the City Municipalities Act. According to the said Act, there was no other provision to control the recruitment of the other Subordinate Services of the City Municipality. However, the recruitment to the Subordinate services was made in accordance with the Government Order which was only an executive order governing the rules of recruitment. The legality of the procedure adopted by the City Municipality was not free from doubt as it was not made under any provisions of Law.

In Civil Station Municipal Commission, appointments, prior to retrocession were made by the President and the Municipal Commission under the provisions of the Municipal Laws and rules framed thereunder. After retrocession, the rules of the Central

Central Recruitment Board were made applicable to the employees of the Civil Station Municipal Commission also. Appointments were made accordingly through the Central Recruitment Board till December 1949. This procedure of the Civil Station Municipality was also not based on any provisions of Law except by an order of the Government. It is ascertained that in all other Corporations in India, the Public Service Commission has nothing to do with the Corporation Service and it is only in Bombay that the Corporation has voluntarily authorised the Public Service Commission in this behalf.

The position is entirely changed after the formation of the Corporation The Corporation Act gives specific powers under Sections 84 to 89, to the Commissioner, Corporation and also the Government in the matter of appointment to the Corporation Services The Corporation cannot make appointments otherwise than in accordance with the provisions of the above said Sections and it may become illegal to appoint otherwise The Corporation cannot take the responsibility for the consequences arising out of appointments made other than in accordance with the provisions of the Act.

Before the enactment of the Constitution of India, the Government of India Act, 1935 had no provisions giving power either to the Public Service Commission or to any other Agency of the Government to control the recruitment to the subordinate services of the Local Authorities such as Municipalities, Corporations, District Boards or any other Local Authorities Under Article 321 of the Constitution of India, seperate enactment is to be passed to extend the powers of the Public Service Commissi to the local authorities such as Corporation etc. So far no Act seems to have been passed by the State Legislature in respect of recruitment to the Local Authorities Therefore, the rules of recruitment of the Public Service Commission as at present, cannot be made applicable to the Corporation Services The Corporation have got absolute powers with regard to the recruitment of services under the provisions of the Corporation Act With this in view,

in view, the Corporation framed rules for recruitment to the Corporation Services in their resolution passed at the urgent meeting of the Corporation on 5-6-1953 and at their meeting held on 20-10-1953. A copy of the rules framed in this behalf is enclosed herewith for perusal.

It may be pointed out in this connection, that the Corporation Rules are based on the rules of recruitment framed by the Government. - - Qualifications with regard to age, Education, etc., are similar to those of the rules of the Public Service Commission The same communal proportions adopted by the Government are provided in the rules. The only difference is that instead of making the appointments through the Public Service Commission, the Commissioner, the Corporation and the Government make appointments in accordance with the provisions of the Act and the above said rules. After the advent of the Corporation, appointments have been made from the lists of the Public Service Commission wherever possible and also by direct recruitment. The Corporation continues to make appointments and to give promotions and order confirmation in accordance with the provisions of the Corporation Act and the recruitment rules. In view of the above, the Public Service Commissioner may be intimated not to insist upon the appointments being made through them. As per the list sent by the Public Service Commissioner from time to time, there are 89 Candidates awaiting appointments in several cadres as per list enclosed. They will be taken to the vacancy register that is being maintained in accordance with the rules of recruitment of Corporation and preference will be given to these Candidates.

A copy of this letter together with other enclosures along with the rules of recruitment framed by the Corporation have also been sent to the Public Service Commission for their information.

Forwarded with compliments.-

Yours faithfully,

Seetha Ram H

The Commissioner,
Corporation of the City of Bangalore,
(thro' the Mayor)

Sir,

Subject Rules of recruitment to the subordinate services of the Corporation.

With reference to your letter No A6.582/53 dated 8th April 1954 on the subject, I am directed to state that the Government Rules of recruitment have been made applicable to all the local bodies in the State including the erstwhile Bangalore City Municipality After retrocession, appointments in the Civil Station Municipality were also brought within the Rules of recruitment Further, after the merger, you have been appointed as the Unit officer for purposes of recruitment to all Corporation services in Government Order No E.9709-15/ R & P S 10-49-2 dated 28th February 1950. As per Article 313 of the constitution, the laws that were in force immediately before the commencement of the constitution and applicable to any Public Service or posts shall continue in force as far as consistent with the provisions of the Constitution So there can be no dispute that the Public Service Commission Rules, which were hitherto applicable to Bangalore Corporation hereafter also apply to the Bangalore Corporation

In view of the foregoing facts, Government consider that the framing of separate rules for recruitments to the subordinate services of the Corporation is unnecessary Appointments to the Corporation services may be made in accordance with Public Service Regulation and Public Service (Limitations and Functions) Rules

Yours faithfully,

Secretary to Government,
L S G. & Planning Departments
